## **DECLARATION UNDER 37 C.F.R. § 1.132 THAT INVENTOR(S) NAMED IN THIS APPLICATION CONCEIVED OR INVENTED THE SUBJECT MATTER OF THIS APPLICATION WHICH IS DISCLOSED IN THE CITED US PUBLISHED APPLICATION 2003/0122839**

1. The US Published Application 2003/0122839 was cited against this application.
2. I am a co-inventor of this application and the cited US Published Application and signing below, hereby declares that the cited disclosure in the above identified publication was conceived or invented by the inventors named in the present application and that the inventorship of this application is correct in that the reference discloses subject matter derived from the inventors named in this application rather than invented by the applicants of the published application notwithstanding the inventorship of the US Published Application 2003/0122839.
3. The present application and the published patent application were owned by the Eastman Kodak Company at the time of their invention and still are owned by the Eastman Kodak Company.
4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
